How to make your bauble:

- Colour in the baubles.
- Carefully cut out each bauble.
- OPTIONS
 - **Glue two baubles back to back.**
(Make a loop with string or ribbon and sandwich the ribbon between the two cut-outs)
 - **For a 3D bauble,** fold each bauble in half. On the blank side of your first cut-out, glue the right hand side to the left hand of the next, until you have your 3D bauble. (NB: Before you glue your last cut-out, glue a loop of ribbon or string in the middle)

You will need:

Scissors | Glue
Crayons or koki pens
Cardboard
Ribbon or string
(8cm per bauble)
